Grant Oakley

Dear Grant,

I certainly am glad I got to know you this year. I'm only sorry that I did not know you sooner. You were easy to get to know though, because of your friendly personality. You have a real pretty smile and I like the way you laugh all the time. It tickles me.

I have really enjoyed French this year, since you were in there. I hope I will be lucky enough to get in some of your classes next year.

I've learned never to tell you anything that I want kept a secret because - you know why.

I hope you do come to the prom to-night. I'll be looking for you. I'm sorry we can't go to the show, though. But there's nothing good on, anyway.

I'm anxious for summer to come, as I know you are, but we'll all be remembering our good times at school in July and August. I guess we will. I won't miss French, though, or Mrs. Byrd, either.

I hope you will always have good luck and keep up the good work. You have been making good grades and I want you to keep them up.

I'm glad you got in the Honor

*"We may live without poetry, music and books,
But civilized man cannot live without cooks."*

To this outstanding trio of Home Economics teachers, the DOE-WAH-JACK staff, with deepest appreciation for the many services so willingly rendered our student body and faculty, dedicates this 1954 edition.

They Make Our

MR. C. C. LINNEMANN

"A friend to all in need" could well be applied to Mr. Linnemann, our principal, for he is always willing and able to help us with our troubles. His genuine interest, hearty friendliness, and unmasked enthusiasm makes us feel free to ask his aid at any time.

Grant, I have enjoyed having you in study hall. I'm proud of your excellent school record - Keep it up! Best wishes always, Mildred Murrell

Our advisers are available at all times to any student who needs advice; student counselling has become a very real part of our high school program.

Answering the telephone and typing the bulletins are just a few of the many jobs which our secretaries perform. Our "Private Secretaries" are:

Miss Murrell

Mr. Seelinger

Mrs. Wood, Mrs. Bradley

Programs Possible

We could search 'til the end of time, but we could never find a better person than our Superintendent of City Schools, Dr. Spikes. His perseverance for the betterment of mankind through education can never be excelled. He is continually striving to help us in every way. Through his tireless efforts our new high school was made possible. For all he has done for us we want to say a hearty "Thank You."

DR. L. E. SPIKES

Always trying to make Burlington schools better, the Board of Education settles all school problems. The board consists of:

First row, left to right: Walter M. Williams, C. M. Euliss, Mrs. A. T. Glenn, Dr. H. V. Murray. Second row: T. H. Traynham, Dr. L. E. Spikes, J. D. Strader. (Not pictured is W. L. Shoffner.)

The Administration staff helps at all times to keep the schools running smoothly. The staff members include:

First row, left to right: Mrs. Francis Dawson, Vocational Supervisor; Mr. Paul Lentz, Business Manager; Dr. L. E. Spikes, Supt. of Schools; Miss Carrie B. Wilson, Supervisor of Instruction. Second row, left to right: Miss Estelle McClees, Audio-Visual Supervisor; Mrs. Prue Edwards, Visiting Teacher; Mrs. Lee Barham, Supervisor of Cafeterias; Miss Eva Wiseman, Supervisor of Music.

They Take Care of Our Props

The maids and janitors are continually working to keep the halls and rooms clean. Making Williams High a neat place in which to live are:
First row, left to right: Cornelia Kemp, Wilma Evins, James Walker. Second row: Spencer Carter, John Lawston.

"Sam, Sam Yarborough" is a familiar sound over the loud speaker any time during the day. Sam, the handy man, always does any job set before him. Thanks for all your help.

"Is she checking the lunch line today?" This is a common expression in the cafeteria as the students gather for their lunch. Under the direction of Mrs. Howerton, the cafeteria serves us a well-balanced meal.

"Rain or shine I'm on time." The bus drivers are faithful in any kind of weather. The chauffeurs of W. H. S. are:

Left to right: L. B. Shaw, Frank Stewart, David Cheek, Don Vaughn.

Grunt ~~is~~, Here's a poem:

Grunt you are a good old turd
though you do act a little absurd
Through the *W. H. S. Eye May Be Seen*
your tongue is green, your face is odd
All Curricular Activities
watch those dreams or you'll
drop your wad

2nd verse.

Honor Society comes marching in
Although there are many clubs and activities connected with our school life,
Good old grunt brings up the end
most of our time is spent in our attractive classrooms. Our teachers are doing
Oh happy day, wonderful joy
an excellent piece of work in preparing us to meet the challenge of living in the

"Homemaking Is Fun"

Our Home Economics department offers a variety of knowledge to our girls, teaching them sewing, first aid, and all forms of cooking and table arrangement. Our capable Home Economics teachers, Mrs. Rouse, Mrs. Pope, and Miss Brannock, spend many hours after school planning activities for their students. All Freshmen girls are required to take Home Economics. Beginning next year a third year course will be offered to those interested.

They Sponsor Our Activities

Planning the programs and activities of W. H. S. is the chief function of the Student Council. The members, working together to make our school days more enjoyable, are: *Seated:* Mr. Seelinger, sponsor. *Left to right:* Touchberry, Lee, Davis, Garrison, Williams, Robertson, Gentry, Harper, Dixon, Walton.

Four Star Production

Elected by popular vote of the entire student body, our officers head the student council. This year's officers are: *President*, Larry Williams; *Vice-President*, Jimmy Dixon; *Secretary*, Jerry Robertson; *Treasurer*, Buddy Touchberry.

Always working, always ready to help, Larry Williams, president of the student body, has done a fine job this year. Our hats off to a capable leader.

"This Is

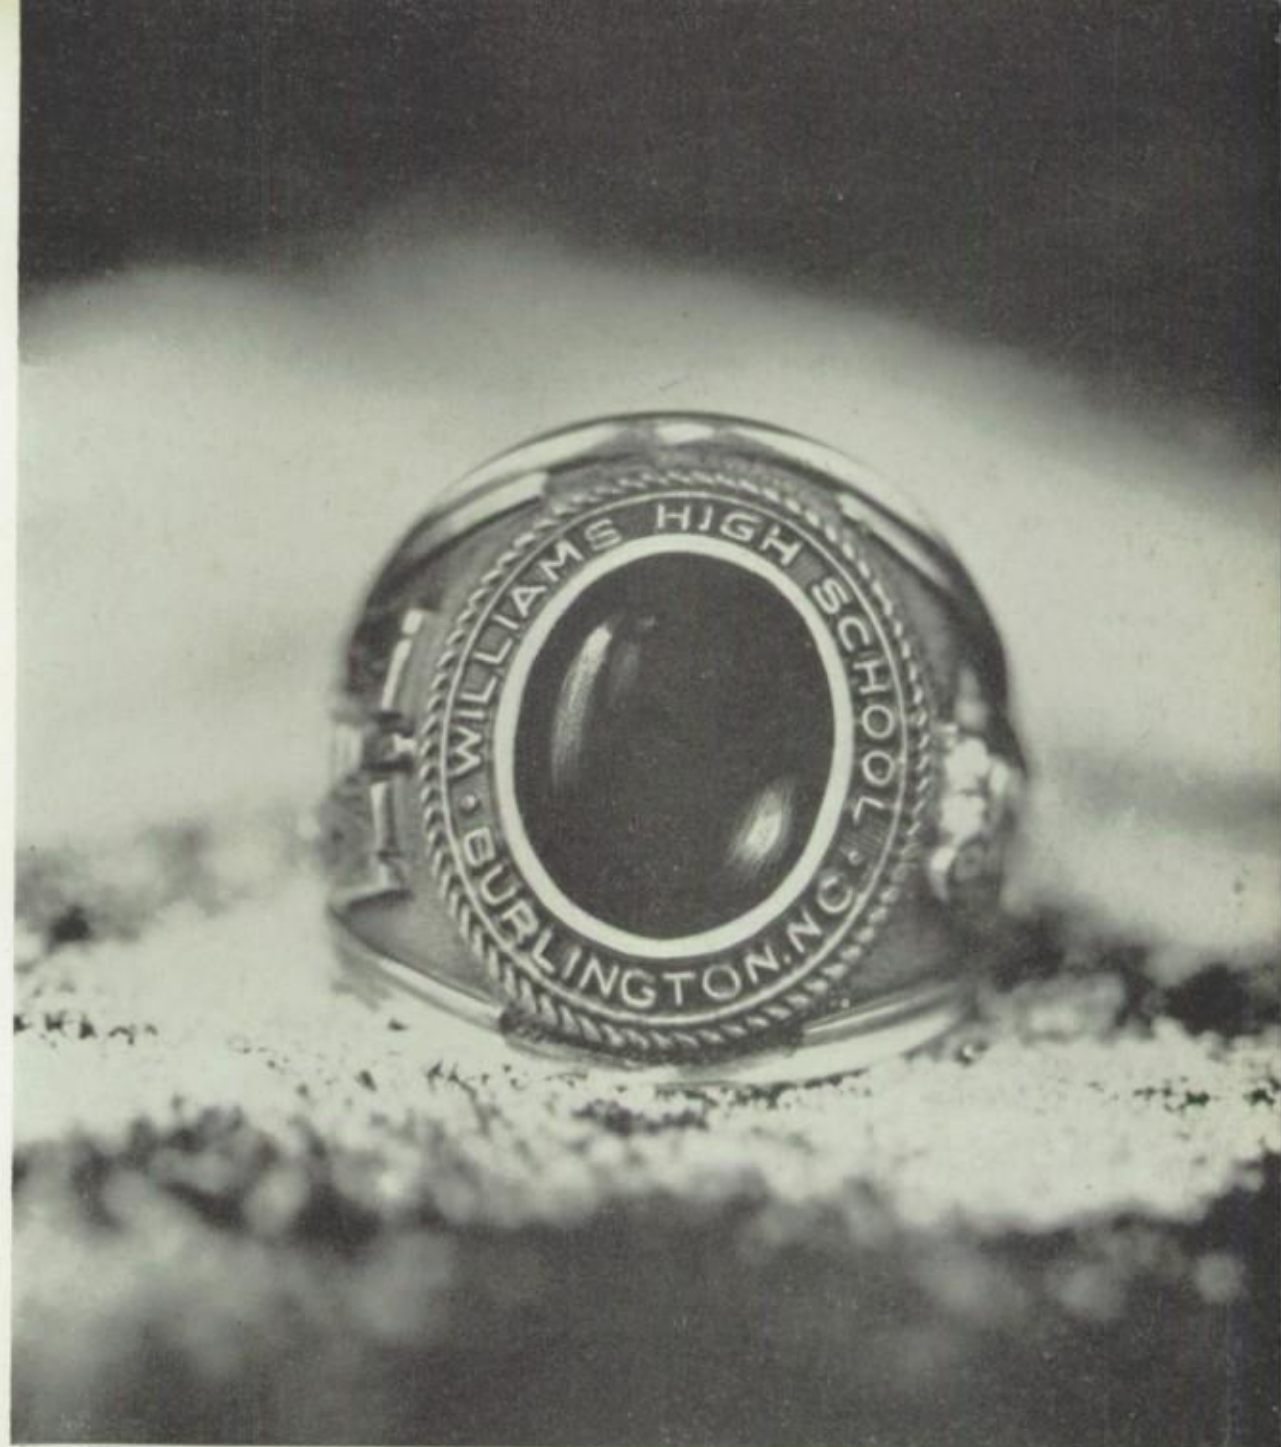

How big the building looked! Remember how our hands trembled and what a weak feeling we had when we opened those doors? Behind those portals lay four years of hard work. Behind those doors lay opportunities for making new friends. Would we find joy or sadness within those walls? We soon found we were to determine that. In a short time the encouragement and little acts of kindness shown by the upperclassmen paid off, and we felt ourselves a part of everything.

Books and more books! Preparation of lessons took up all our time, or so we thought. Between algebra and Latin we were kept pretty busy. We had always been told that our Sophomore year would be the hardest and how true that was! However, we still found time for ball games and other outside activities. Work? Yes, but it wasn't bad at all when it was done in the friendly atmosphere of W. H. S.

Your Life"

How proud we were to exhibit our most prized possession—our class ring. We had waited so long! Now we were really a part of the school. Our Junior year was one of the best. We had so much fun at the Junior Play and the Junior Talent Show. Proceeds from these paid for the biggest social function of the year—the Junior-Senior Prom. That night was just wonderful. Soft lights, beautiful music, and evening clothes combined to make this an evening which we shall never forget. In fact, the whole year was surely unforgettable.

Well, it's all over. It almost seems as if it ended before it began. We've written our last theme, conjugated our last French verb, worked that last problem in chemistry or advanced algebra, and signed our last exam. Then the final whirl of excitement—Senior Class day and the Senior picnic! Remember how our knees shook when we walked out to get that treasured piece of paper, our diploma—the big reward of twelve years of work? Then that final march up the aisle and we sophisticated seniors fade away. Just a rumpled gown and that symbolic hat—that's all that remains, but what treasured memories they do bring!

Noil Jones moves in to tackle Gail Elliot
as Burlington out-gains but fails to out-
score Charlotte in a hard fought contest.

Clayton reels off valuable yardage in
the touchdown drive which broke Greens-
boro in an outstanding 14-13 defeat.

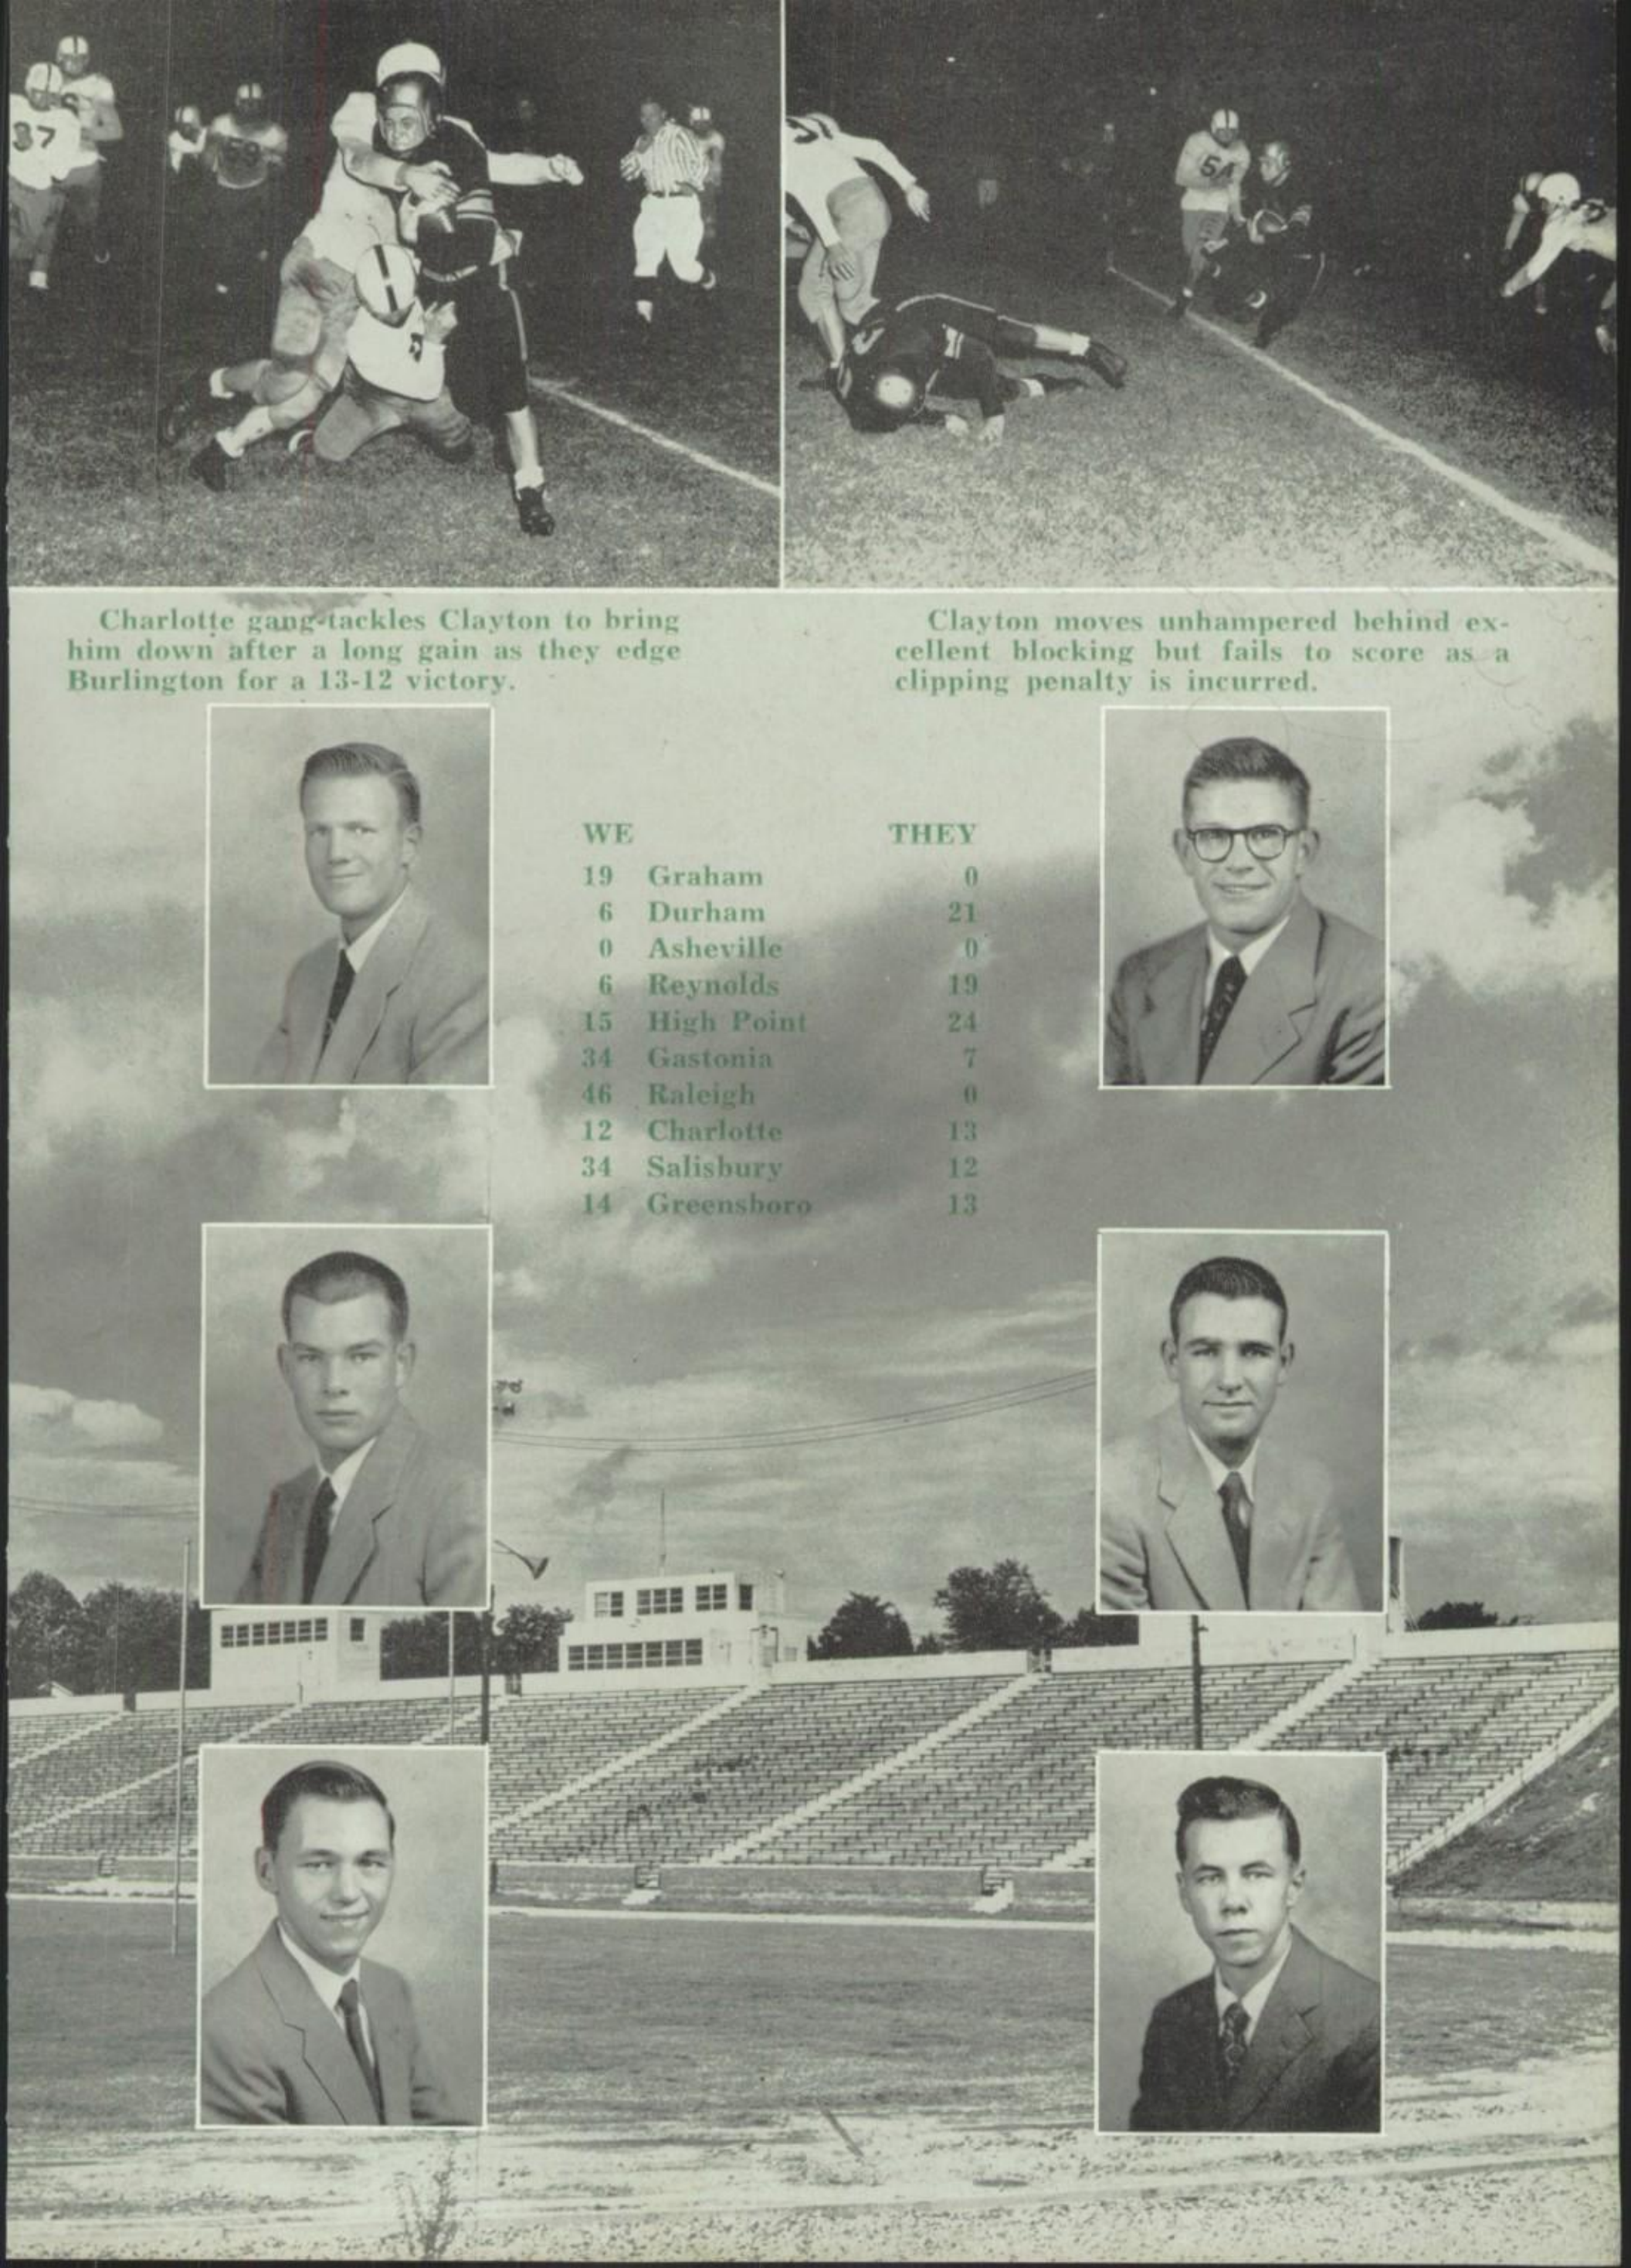

Charlotte gang-tackles Clayton to bring him down after a long gain as they edge Burlington for a 13-12 victory.

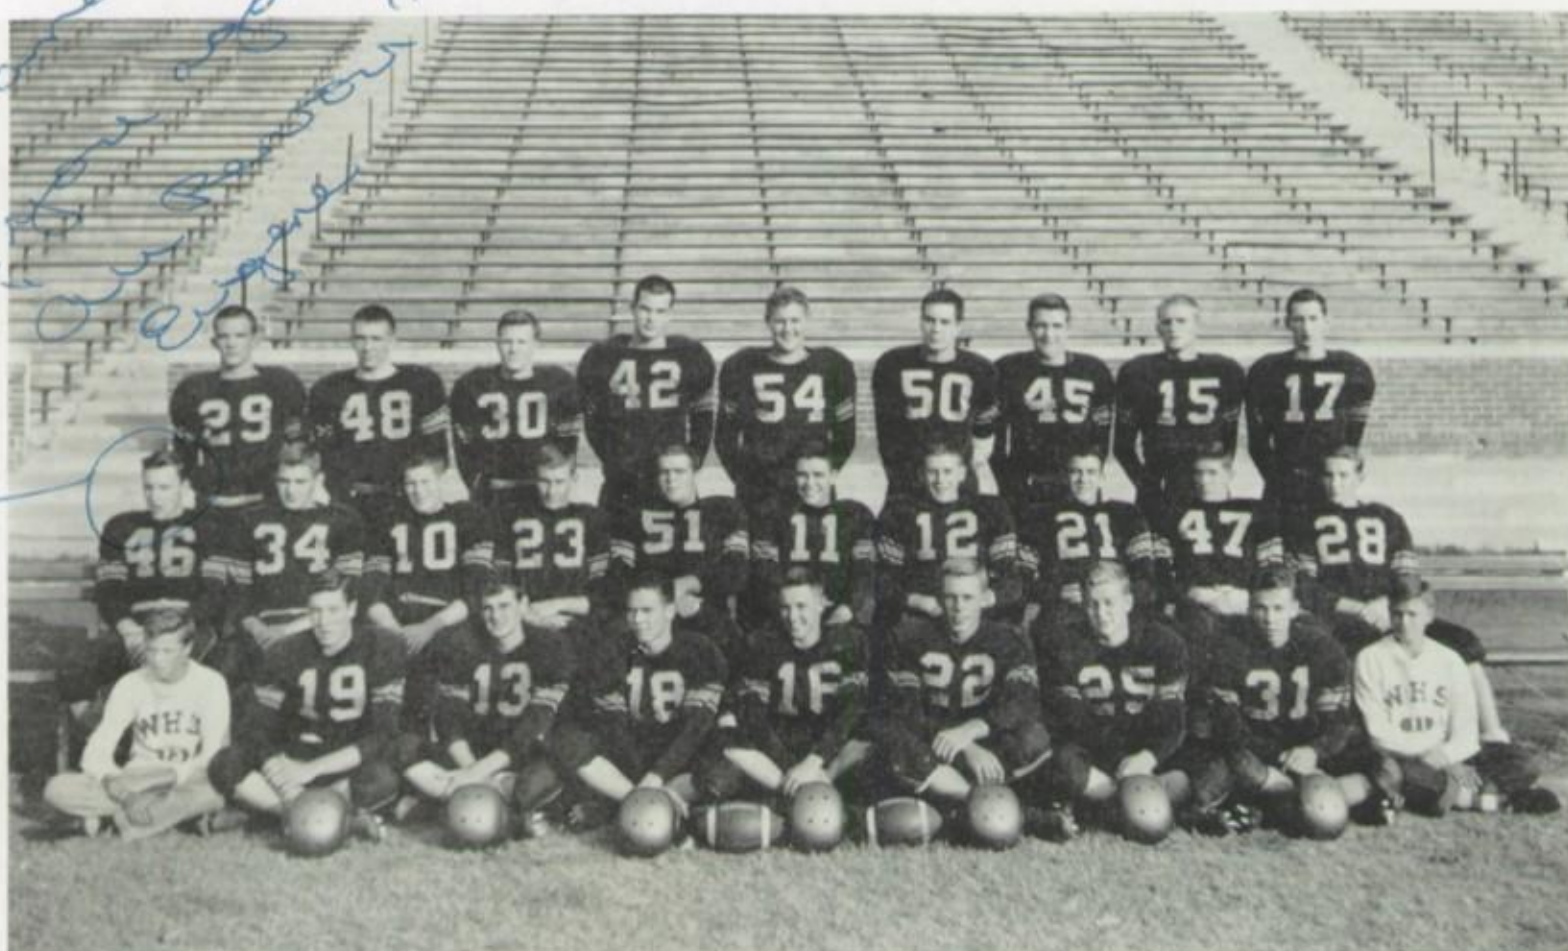

Clayton moves unhampered behind excellent blocking but fails to score as a clipping penalty is incurred.

It sure has been
nice knowing you this
year. Best of luck always.
Mike

Dear Grant,

You laugh at everything I say or do - so you'll probably laugh at this too - but I truly hope not. No one will ever guess how much I have enjoyed knowing you this year. At the first part of this year I really didn't know you. (I guess it was because you liked Janice Oliver so much.)

I'm sure that without you this year, school would have been very dull. You seem to always have a smile on your face and something nice to say to everyone. You'll never know how thrilled I was because you got in the Honor Society (even though you weren't). Grant, with ~~the~~ your bubbling personality and cute way of being, I'm sure you will be tops in anything you undertake. I wish the best of everything to you and the one you choose for a mate - whoever that may be. Thanks a lot for helping me so much in history - in work and in happiness. Be good.

As Ever,
Loy

P.S. Please, don't ever forget our marvelous times together & have a wonderful summer.
